**Barenbrug adds new Production Manager to US division**

*April 7, 2005 Tangent, OR* Barenbrug USA is pleased to announce the recent hiring of Blaise Boyle as Production Manager for the group. Boyle brings 23 years of experience from within the seed industry, having been involved in production management, research and development as well as sales / marketing. Boyle will oversee Barenbrug's North American grass seed production, its annual seed procurement requirements as well as the companies outside contract production in Canada, Australia and New Zealand.

Barenbrug USA is a well-established company with a tradition of providing high quality turf and forage seed to the market. "The growers we work with are truly some of the best in the business; I am looking forward to working with each of them as we continue to build on this tradition," said Boyle. "We continue to have a demand for new acreage to fill our needs and if you would like to discuss the possibilities of what we can do together please give me a call." Boyle can be contacted at Barenbrug USA located in Tangent Oregon. Tel; 541-926-5801 ext 218 / Cell; 541-619-0218 or via e-mail at [bboyle@barusa.com](mailto:bboyle@barusa.com)
